

# Psalm 91 - a declaration of promise

- <sup>1</sup> ***I declare*** that because I live continually under the covering of the Lord Most High, I will find rest and security under the shadow of His wings.
- <sup>2</sup> ***I declare*** that the Lord is my refuge and my fortress; He is my God, and in Him I will trust.
- <sup>3</sup> ***I declare*** that The Lord will protect and deliver me from any traps the enemy may set for me, and from every deadly disease the enemy may send my way.
- <sup>4</sup> ***I declare*** that like an eagle covers its young, the Lord also covers me with His feathers. He is my safety and my protection and under His wings I will take refuge.
- I declare*** that His sureness, His truth and His reliability are my armour and my protection.
- <sup>5</sup> ***I declare*** that I will not walk in fear. I will not be afraid <sup>6</sup> of any disease that comes in under the stealth of night, or any disaster or any attacks that come during the light of day.
- <sup>7</sup> ***I declare*** that no matter how many people fall around me, even if they fall right beside me, the wickedness of the enemy shall not come near me. <sup>8</sup> I will see the rewards of wickedness, but I shall remain safe <sup>9</sup> because I live under the covering of God Himself.
- <sup>10</sup> ***I declare*** that because He is my covering, I shall not be conquered by any plans or attacks of evil. No sickness shall have any authority over me or my house because <sup>11</sup> His angels have been assigned to my protection detail. <sup>12</sup> They will keep me safe in all my ways. I will be held safe in their hands. They will hold me upright, so I won't stumble and fall.
- <sup>13</sup> ***I declare*** that I will step on and over any wicked and twisted attacks aimed at me, whether they are bold and aggressive like a lion, or the venomous strikes like that of a viper.
- <sup>14</sup> ***The Lord has already declared*** that because I love Him, He will deliver me, He will prosper and He will exalt me because I know Him personally.
- <sup>15</sup> ***I declare*** that when I call Him, He answers me and is with me in times of trouble. He will never leave me or forsake me. I will be delivered by Him and even honoured by him because I have an intimate relationship with Him.
- <sup>16</sup> ***I declare*** that I will be satisfied with a long life, and I will live under His deliverance and His Victory all the days of my life.
